## COMPANY OVERVIEW

R & S Delivered, LLC is a certified woman-owned Freight Management Brokerage that assists with freight arrangements between shippers and carriers. We are in the small business sector yet offer services nationwide as well as Mexico and Canada. We find the right carriers for your hauling needs in the most cost-effective way, all while ensuring the carrier meets the FMCSA regulations such as an active DOT and MC#, active insurance, and satisfactory inspection ratings. This nine-year-old small business has grown from gross sales of \$4M to \$17M.

### BRAGGING RIGHTS

The largest chemical company in the world, BASF, contacted us asking if we would like to haul their freight. We were referred to Chris Kondik, BASF Regional Category Buyer, Packaged Truckload by one of his colleagues as a brokerage that provided excellent service with integrity. A few loads have now turned into over \$9M in contracted lanes.
